

LINDA DAY

Fresh Ideas & a Fresh Perspective for the Maryland State Retirement & Pension Board of Trustees

The needs and goals of Maryland State employees are not new to candidate **Linda Day**. As a social worker with the Department of Social Services for over 25 years, Linda made time not just to continue her own education, earning a degree in Political Science, and to perform her job with skill and dedication. She has always used her time and resources to advocate for the needs of her community and her co-workers—on a church, community, local, and ultimately a state-wide level. ***Linda has been a vocal and vigilant supporter of the needs of State employees throughout her career, and seeks to continue to do so in retirement.***

As the retiree representative on the Maryland State Pension and Retirement System Board of Trustees, Linda Day will not only bring her decades of experience in public service, but she will bring fresh ideas and a fresh perspective to the Board. Linda is not interested in a “business as usual” approach to protecting the interests of Maryland’s retirees—she is keenly aware of how hard retirees worked throughout their lives serving the public, and how much they need a vigilant representative on the Board to preserve and protect their hard-earned pensions and benefits.

When to Vote:

Vote between May 18 and June 19, 2015.

How to Vote:

Vote by telephone or Internet.

Instructions and a PIN will be mailed to you.

Linda Day will come to the Board with the goal of bringing a new voice, and new perspective, a fresh and firm dedication to the needs of Maryland’s retirees. Her education, experience, and enthusiasm make her uniquely qualified for to be the retirees representative on the MSRP Board of Trustees.
